

Example of changes at AP level at SSU

Programme aims and learning outcomes were revised, their alignment ensured

The number of modules reduced from 21 to 17 due to their enlargement. All modules are multiple to 5 credits. The number of PLOs reduced from 36 to 10.

Number of lectures reduced and number of practical classes increased upon recommendations of the employers' council and graduates

Benchmarking with universities worldwide. Change of the AP title at Bsc level. Provisions for academic mobility and double-degree agreements.

Launch of tracking graduates and creation of the programme alumni union.

Decision and preparations for delivery of the programme in English
